

THE VISION OF PROJECT  
LINK IS A COMMUNITY  
THAT EMPOWERS  
WOMEN AND THEIR  
FAMILIES TO HAVE A  
HEALTHY LIFESTYLE FREE  
OF ADDICTION.

taking care of yourself is a part  
of taking care of your children

### Our Vision

Project LINK is designed to provide case management and home visiting services to pregnant and parenting women who are “at risk” or are currently abusing substances.

### Our Goal

To LINK eligible women with community resources and treatment for their substance use in order to promote and support recovery.

### Our Mission

To ensure that all women whose lives are being or have been affected by substance use are linked with resources that foster their physical, emotional, spiritual and family well-being.
